Sub.-: Show Cause Notice F. No: VIII/48-140/Cocoa Powder/Shirazee/Gr-I/MCH/2018-19 dated 27.08.2019 issued to M/s Shirazee Traders, 967, Raviwar Peth, Pune, Maharashtra – 411 002.

BRIEF FACTS OF THE CASE

M/s Shirazee Traders, 967, Raviwar Peth, Pune, Maharashtra – 411002 (hereinafter referred to as “Importer”/“Noticee” for the sake of brevity) had filed a Bill of Entry No. 7618101 dated 07.12.2014 through Custom Broker D K Logistics for clearance of imported goods declared as ‘Cocoa Powder 10-12% FAT Content 11 MK-380’ (hereinafter referred to as “Imported goods”/“Impugned Goods”). The goods have been shipped from Malaysia, falling under Custom Tariff Item 18050000 to the First Schedule of the Customs Tariff Act, 1975. The importer filed the Bill of Entry through the Customs Broker for clearance of the aforesaid goods by availing concessional rate of Customs duty benefit on the basis of Country of Origin certificate prescribed under Notification No. 53/2011-Cus, dated 01.07.2011, as amended. Based upon the self-assessed declarations regarding country of origin benefit made by the importer in the aforesaid bill of entry, the imported goods viz. ‘Cocoa Powder 10-12% FAT Content 11 MK-380’ were cleared, having Gross weight 76,200 Kgs and assessable value of Rs.1,05,36,013.97/- imported vide Bill of Lading No. CT20141006 dated 29.10.2014 and Invoice No. EDMK030/14/15 dated 29.10.2014.

1.1 In terms of new Customs audit methodology, where “Theme Based Audit (ThBA) has been considered as an important element of entire Customs Audit system, erstwhile Central Board of Excise & Customs (CBEC) which is now Central Board of Indirect Taxes and Customs (CBIC) (herein after referred to as Board) vide letter D.O.F. No. 450/72/2016-Cus-IV dated 26.07.2018 allocated various “Audit Themes” to Audit Commissionerates for “Coordinating the audit” across India for issues arising out of such theme based audit.

1.2 One of the themes allocated to Nhava Sheva Audit Commissionerate (Mumbai Customs Zone-II) is “FTA benefit on imports of Cocoa powder from Malaysia” under Customs Notification No 46/2011-Customs, dated 01.06.2011 and Notification No. 53/2011-Customs, dated 01.07.2011.

1.3 Cocoa Powder is regularly being imported from Malaysia under Free Trade Agreement (FTA) by importers from various ports by availing the benefit of duty exemption under aforesaid Notifications.

1.4 The benefit under Notification No 46/2011-Customs is available provided the goods are of Malaysian Origin in accordance with provision of the Customs Tariff [Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India] Rules, 2009, published vide Notification No. 189/2009-Customs (N.T.) dated 31.12.2009. As per the aforesaid Rules, the “Certificate of Origin” is required to be issued by the designated authority and in case of goods not wholly produced or obtained products in Malaysia, the AIFTA (ASEAN-India Free Trade Area) content should not be less than 35% of the FOB value.

1.5 Similarly, benefit of the Customs Notification No 46/2011-Customs, dated 01.06.2011 and Notification No. 53/2011-Customs, dated 01.07.2011 are available provided the goods are of

Malaysian origin in accordance with provisions of the Customs Tariff (Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of the Republic of India and Malaysia) Rules, 2011, published Notification No. 43/2011-Customs (N.T.). As per the aforesaid Rules, in case of goods not wholly obtained or produced goods from Malaysia, the qualifying value content of the goods should not be less than 35% of the FOB value.

1.6 The matter regarding verification of qualifying value content was taken up for investigation by Directorate of Revenue Intelligence, New Delhi. Based on some of the "Certificates of Origin" issued for this product, it was noticed that the goods were derived from Cocoa beans of Ghana Origin and in such cases, based on prevalent International price as well as information available on supplier's website, it appeared that the regional value addition would only be in the region of 3-17% as against minimum qualifying value of 35% of the FOB value. Accordingly, the matter was taken up by the Director ICD, of the Board with the High Commission of Malaysia in Delhi vide letter dated 10.01.2014 for verification. In response thereto, the Director, Asian Economic Corporation, Ministry of International Trade and Industry (MITI), Delhi vide letter dated 18.03.2014 informed that the "Ministry of International Trade and Industry (MITI) Malaysia" have completed a verification visit to both the factories M/S JB Cocoa and Guan Chong Cocoa to verify the information regarding raw material used in the production of cocoa powder for export to India. Based on the verification visit and internal investigation of both factories, MITI stated that the raw material used in the production of finished goods has fulfilled the 35% Regional Value Content (RVC) under the ASEAN India Free Trade Agreement (AFTA), however they showed their inability to provide the cost structure due to data privacy.

1.7 According to Article 16(a) (ii) of Annexure-III (Operational Certification Procedures) to the Rules of Origin under the ASEAN India Free Trade Agreement, the issuing Authority shall respond to the request promptly and reply within 03 months after receipt for retroactive check. According to Rule 16 (a)(iv), the retroactive check process, including the actual process and the determination of whether the subject goods is originating or not, should be completed and the result communicated to the issuing authority within 06 months.

1.8 There is no provision in the said Rules of Origin of India ASEAN FTA for denial of cost structure on the basis of data privacy. Article 18 (b) clearly obligates information relating to the validity of the AFTA Certificate of Origin to be furnished upon request of the importing party.

1.9 In view of the above, it was decided by the Board to deny the preferential Customs duty benefit in the said matter and accordingly Board vide letter F.NO. 456/12/2013-Cus.V dated 07.05.2014 issued necessary direction for taking necessary action.

1.10 In this regard, Hon'ble CESTAT decision in the case of M/s Alfa Traders Vs Commissioner of Customs, Cochin reported in 2007(217) ELT 437 and 2008(223)ELT 289 are squarely applicable

wherein it has been held that if the certificate of origin is not correct on facts, it can be rejected for disallowing the duty exemption. Similarly, the case law in the matter of M/s Surya Lights Vs Commissioner of Customs reported in 2008 (226) ELT 74-Tribunal Bangalore is also equally relevant.

1.11 In terms of Section 46 (4) of Customs Act, 1962, the importer is required to make a declaration as regards the truth of the contents of the Bill of entry submitted for assessment of Customs duty. In view of the discussions made in the foregoing paras, it appeared that the said Noticee have wrongly taken benefit of Notification No 53/2011-Customs dated 01.07.2011. Thus it appeared that the said Noticee have contravened the provisions of sub section (4) of Section 46 of the Customs Act, 1962, in as much as, they had mis-declared Country of Origin as Malaysia imported as 'Cocoa Powder 10-12% FAT Content 11 MK-380' in the declaration in the form of Bill of Entry filed under the provisions of Section 46(4) of the Customs Act 1962 and thereby they wrongly availed the country of origin benefit to evade the customs duty. It appeared therefore that importer M/s Shirazee Traders, 967, Raviwar Peth, Pune, Maharashtra – 411002 has knowingly and with intention and by design taken the benefit of Notification No. 53/2011-Cus dated 01.07.2011. It appeared to be a case of wilful mis-statement of actual country of origin, suppression of facts of correct qualifying Regional Value Content (RVC) and of ineligibility of said exemption Notification (Supra) due to non-fulfilment of Regional Value Content (RVC) of 35 % and thus ineligibility of exemption under Notification no. 53/2011-Cus dated 01.07.2011 with intention to evade duty of Customs. This constitutes an offence of the nature covered in section 111 (d), 111(m) and 111 (o) of the Customs Act, 1962 and the goods imported appear liable for confiscation under section 111 (d), 111(m) and 111 (o) of the Customs Act, 1962.

1.12 In view of the facts discussed in the foregoing paras and material evidences available on record, it appeared that the importer has contravened the provisions of Section 46(4) of the Customs Act, 1962 in as much as they had intentionally taken a wrong Customs duty benefit based upon invalid document namely Country of Origin Certificate in terms of the Notification No. 53/2011 dated 01.07.2011, and thereby they have suppressed material facts from the department and produced invalid Country of Origin certificate as mentioned above for the imported goods, while filing the declaration, seeking clearance at the time of the importation of the impugned goods. Thus, the said importer also appeared liable for penal action under the provisions of Section 112(a) and / or Section 114 A of the Customs Act, 1962 for importing the impugned goods based upon invalid and improper document viz. Country of Origin certificate leading to unlawful, illegal and wrong availment of concessional Customs duty benefit under Notification No. 53/2011 dated 01.07.2011 by them. It also appear that importer is liable for penalty under section 114AA of the Customs Act, 1962 for knowingly and intentionally using the country of origin document which was incorrect in material particularly in as much as it falsely shows the country of origin as Malaysia though the AIFTA (ASEAN-India Free Trade Area) content is far less than 35% of the FOB value and thus the country of origin produced is in violation of Notification No. 189/2009-Customs (N.T.) dated 31.12.2009 viz., Customs Tariff (Determination of Origin of Goods under the Preferential Trade Agreement between the

Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India) Rules, 2009.

1.13 The importer has debited total duty amount of Rs. 31,66,239/- through various license at the time of assessment of the goods in respect of Bill of Entry No. 7618101 dated 07.12.2014 after wrongly availing concessional Customs duty benefit under Notification No. 53/2011 dated 01.07.2011.

1.14 The total Customs duty leviable on the said goods amount to Rs.55,67,938/- without allowing concessional rate of Customs duty benefit based on Country of Origin benefit of Malaysian origin. Concessional rate of Customs duty based on Country of Origin for the imported goods is not available to them for the reasons as discussed in the foregoing paras. The importer has already debited an amount of Rs.31,66,239/- through various license for the clearance of the impugned imported goods by availing concessional rate of Customs duty based on Country of Origin benefit which they are not entitled to based upon the facts brought on record as discussed in the foregoing paras. Therefore, it appeared that the amount of differential Customs duties amounting to Rs.24,01,699/- (Rupees Twenty Four Lakh One Thousand Six Hundred Ninety Nine only) as detailed in **Annexure B** to the show cause notice; attributable to concessional rate of Customs duties based upon wrong availment of Country of Origin benefit; appeared demandable and recoverable in terms of section 28(4) of the Customs Act, 1962, along with applicable interest thereon under section 28AA of the Customs Act, 1962 from them by re-assessing the aforesaid Bill of Entry after amendment under Section 149 of the Customs Act, 1962 and by denying concessional rate of customs duty benefit based upon the country of origin of import goods.

2. In view of the above, a show Cause Notice F.No. VIII/48-140/Cocoa Powder/Shirazee/Gr-I/MCH/2018-19 dated 27.08.2019 was issued, whereby the importer M/s Shirazee Traders, 967, Raviwar Peth, Pune, Maharashtra - 411002(IEC No.3107006858) were called upon to show cause to the Additional Commissioner of Customs, Custom House Mundra having his office at, 1st Floor, Port User Building, Mundra Port, Mundra, Kutch, Gujarat as to why:-

- (i) Country of Origin Certificate issued as per the Notification No. 53/2011 dated 01.07.2011 was submitted purposefully, knowingly, intentionally for fraudulently claiming and availing Customs duty benefit. The importer is called upon to show cause as to why the country of origin should not be rejected as a valid document for availment of the concessional rate of customs duty benefit based upon the country of origin of the impugned import goods;
- (ii) The total quantity of 76,200 Kgs of goods declared as 'Cocoa Powder 10-12% FAT Content 11 MK-380' imported vide Bill of Entry No. 7618101 dated 07.12.2014 and having assessable value of Rs. 1,05,36,103.97/- should not be held liable to confiscation under the provisions of section 111 (d), 111 (m) and 111(o) of the Customs Act, 1962 for the act of wilfull mis-statement and intentional suppression of facts by the importer with regard to the description and Country of Origin of the import goods by way of submitting false

and incorrect Country of Origin certificate as Malaysia leading to unlawful, illegal and wrong availment of concessional Customs duty benefit under Notification No. 53/2011 dated 01.07.2011 by them.

- (iii) The total amount of differential Customs duties amounting to Rs.24,01,699/- (Rupees Twenty Four Lakh One Thousand Six Hundred Ninety Nine only) as detailed in **Annexure B** to this show cause notice; attributable to the concessional rate of Customs duties based upon wrong availment of Country of Origin benefit by the importer under Notification No. 53/2011-Cus dated 01.07.2011 should not be demanded and recovered from them in terms of section 28(4) of the Customs Act, 1962, along with applicable interest thereon under section 28AA of the Customs Act, 1962 by re-assessing the aforesaid Bill of Entry after amendment under Section 149 of the Customs Act, 1962 and by denying concessional rate of customs duty benefit based upon the country of origin of import goods.
- (iv) Penalty should not be imposed on them under Sections 112(a) and / or 114A of Customs Act, 1962.
- (v) Penalty should not be imposed on them under section 114 AA of the Customs Act, 1962.

Also the process of Issuance of FORM A1 is stated on official website of MITI, Preferential tariff to be verified by Malaysian authority (MITI) to issue FORM A1 <https://fta.miti.gov.my/index.php/pages/view/33>.

7. Compliance to Rules of Origin (ROO) is important in exporting products under the preferential trading arrangements. To qualify for preferential tariffs under ASEAN-India FTA, exporters must meet two conditions: Regional Value Content (RVC) 35% + Change in Tariff Sub-Heading (CTSH).
8. In other words, to qualify for the preferential tariffs under the AIFTA, exporters must have at least 35 percent regional value content or originating materials plus the product must have undergone some form of processing at the final point of exports.

RVC is calculated as follows:

$$\text{RVC} = \frac{\text{FOB price minus non-originating products} \times 100}{\text{FOB price}}$$

$$\text{RVC} = \frac{\text{RM200} - \text{RM123} \times 100}{\text{RM200}} = 38.5\%$$

The originating product accounts for 38.5 %.

In addition to meeting the RVC, the product must have undergone change in tariff sub-heading. For example:

Tariff Heading	Tariff Sub-Heading (CTSH)	Product Description	Rules of Origin
HS8467	HS8467 11	Pneumatic rotary type (tools)	RVC 38.5 + CTSH

9. This 6-digit subheading for pneumatic rotary type (tools) is HS8467 11. However, in the processing to manufacture this product, other parts of products falling under HS8467 92 and HS8467 99 may have been used. Thus at the 6 digit level there is change from 8467 92 and HS8467 99 to become HS8467 11.
10. Malaysian exporters can benefit from preferential tariff on all products provided it is not in the Exclusion List of India and importers can benefit from preferential tariffs provided the products are not on the Malaysian Exclusion List.

- (ii) Whether the total quantity of 76,200 Kgs of goods declared as 'Cocoa Powder 10-12% FAT Content 11 MK-380' imported vide Bill of Entry No. 7618101 dated 07.12.2014 and having assessable value of Rs. 1,05,36,103.97/- are liable for confiscation under the provisions of Section 111(d), 111(m) and 111(o) of the Customs Act, 1962.
- (iii) Whether the differential Customs duties of Rs. 24,01,699/- (Rupees Twenty Four Lakh One Thousand Six hundred Ninety Nine only) as detailed in Annexure B to the show cause notice; is required to be demanded and recovered from the importer under section 28(4) of the Customs Act, 1962, along with applicable interest thereon under section 28AA of the Customs Act, 1962 by re-assessing the aforesaid Bills of Entry after amendment under Section 149 of the Customs Act, 1962 and by denying concessional rate of customs duty benefit based upon the country of origin of imported goods.
- (iv) Whether the importer M/s Shirazee Traders is liable for penalty under Sections 112(a) and / or 114A of Customs Act, 1962.
- (v) Whether the importer M/s Shirazee Traders is liable for penalty under section 114 AA of the Customs Act, 1962.

5.1 I find that the importers had imported Cocoa powder by availing benefit of Notification No. 46/2011-Cus, dated 01.06.2011 and Notification No. 53/2011-Customs dated 01.07.2011, (as amended time to time), however the benefit of Notification No 46/2011-Customs is available provided that the goods are of Malaysian Origin in accordance with provision of the Customs Tariff [Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India] Rules, 2009, published vide Notification No. 189/2009-Customs (N.T.) dated 31.12.2009. As per the aforesaid Rules, the "Certificate of Origin" is required to be issued by the designated authority and in case of goods not wholly produced or obtained products in Malaysia, the AIFTA (ASEAN-India Free Trade Area) content should not be less than 35% of the FOB value. Hence the soul of the Notifications is that there should be at least 35% of the content and therefore it was necessary to verify in the matter of qualifying regional value content in "Cocoa Powder"(CTH 18050000) imported from Malaysia under Free Trade Agreement (FTA) and the said matter was taken up for investigation by Directorate of Revenue Intelligence, New Delhi. Based on some of the

"Certificates of Origin" issued for this product, it was noticed that the goods were derived from Cocoa beans of Ghana Origin and in such cases, based on prevalent International price as well as information available on supplier's website, it appeared that the regional value addition would only be in the region of 3-17% as against minimum qualifying value of 35% of the FOB value. Accordingly, the matter was taken up by the Director(ICD), Central Board of Excise & Customs with the High Commission of Malaysia in Delhi vide letter F. No. 456/12/2013-Cus.V dated 10.01.2014 for verification.

5.2 The Director(ICD), Central Board of Excise & Customs, New Delhi vide aforesaid letter F. No. 456/12/2013-Cus.V dated 10.01.2014, regarding Certificates of Origin, pertaining to imports by M/s Morde Foods Pvt. Ltd. from two Malaysian exporters (bearing Certificates of Origin No. JB2011/AI/00961 and JB2012/AI/00252 had stated that perusal of some of the Certificates of Origin issued for the products imported by M/s Morde Foods Pvt. Ltd. indicates that the products were derived from Cocoa beans of Ghana origin. Further, based on prevalent international prices and information available on the supplier's websites, it appeared that the regional value addition would only be in the region of 13-17% in such cases. Accordingly, Minister (Economic), MITI, New Delhi, High Commission of Malaysia in New Delhi was requested to carry out verification in respect of Certificates of Origin No. JB2011/AI/00961 and JB2012/AI/00252 in addition to the 52 (Fifty Two) certificates listed from MITI with particular emphasis on the origin of the Cocoa beans, the cost structure of the finished goods and the quantum of value addition achieved.

5.3 Further, the Director (ICD), CBEC, New Delhi vide letter dated 07.05.2014 addressed to the Director General, DRI, New Delhi informed that the Malaysian High Commission in New Delhi had been requested to verify the genuineness of two Certificates of Origin under the India ASEAN FTA in which the description of the goods indicated the origin of the Cocoa as Ghana. A letter-dated 18.03.2014 had been received from the Ministry of International Trade and Industry (MITI) received through the Malaysian High Commission in New Delhi in response to our letter dated 10.01.2014, wherein MITI has stated that they have conducted an internal investigation and verification visit to the two factories i.e. M/s JB Cocoa and Guan Chong Cocoa, which had supplied the goods. MITI had confirmed that the raw materials used in the production of the finished products fulfil the 35% RVC. **However, they (i.e. above-stated two factories) expressed inability to provide cost structure due to data privacy.** Since there is no provision in the Rules of Origin of the India ASEAN FTA for denial of cost structure on the basis of data privacy and Article 18 (b) of this Rules clearly obligates information relating to the validity of the AFTA Certificate of Origin to be furnished upon request of the importing Party, accordingly, Board has decided to deny the preferential benefit in the matter by way of issue of SCN and early adjudication.

5.4 In this case, the Noticee filed a Bill of Entry No.7618101 dated 07.12.2014 as detailed in Annexure-B to the Show Cause Notice for clearance of imported goods declared as 'Cocoa Powder 10-12% FAT Content 11 MK-380' falling under Custom Tariff Head 18050000 to the First Schedule of the Customs Tariff Act, 1975. The imported goods were supplied by M/s MAJULAH KOKO TAWAU SDN BHD and were shipped from Malaysia. The above-stated Bill of Entry was filed on the basis of self-assessed declarations for the imported goods having gross weight 76,200 Kgs. and total declared

assessable value of Rs.1,05,36,013.97/- for clearance of aforesaid goods by availing concessional rate of Customs duty benefit on the basis of Country of origin certificate prescribed under Notification No. 46/2011-Customs, dated 01.06.2011 and Notification No. 53/2011-Customs dated 01.07.2011, as amended.

5.5 The benefit under Notification No. 46/2011-Customs dated 01.06.2011 is available provided that the goods are imported into the Republic of India from a country listed in Appendix I of the said Notification (Malaysia is one of countries falling under Appendix-I) in accordance with provisions of the Customs Tariff [Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of southeast Asian Nations (ASEAN) and the Republic of India] Rules, 2009 published in Notification No. 189/2009-Customs (N.T.), dated 31.12.2009.

5.6 Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India Rules, 2009 framed vide Notification No. 189/2009-Customs (N.T.), dated 31.12.2009 states that AIFTA Certificate of Origin shall be issued by the Government authorities (Issuing Authority) of the exporting Party and in case of goods not wholly produced or obtained products in Member States of the Association of southeast Asian Nations (ASEAN) (in this case Malaysia), the AIFTA content is not less than 35% of the FOB value. Further, benefit under Notification No. 53/2011-Customs dated 01.07.2011 is available provided that the goods in respect of which the benefit of this exemption is claimed are of the origin of Malaysia, in accordance with provisions of the Customs Tariff [Determination of Origin of Goods under the Preferential Trade Agreement between the governments of the Republic of India and Malaysia] Rules, 2011, published in Notification No. 43/2011-Customs (N.T.), dated 01.07.2011.

5.7 Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of the Republic of India and Malaysia Rules, 2009 framed vide Notification No. 43/2011-Customs (N.T.), dated 01.07.2011 states that in case of goods not wholly produced or obtained products from Malaysia, the qualifying value content of the goods should not be less than 35% of the FOB value. Rule 5 (1) (ii) of the said Rule states that:-

"5. Not wholly obtained or produced goods:- (1) For the purposes of clause (b) of Rule 3, goods shall be deemed to be originating goods, when,-

(ii) Qualifying value content of the goods is not less than thirty five percent of the FOB value: Provided that the final process of manufacturing is performed within the territory of the exporting Party."

5.8 In this case, ongoing through the available records, it is found that the imported goods, which are 'not wholly obtained or produced goods from Malaysia' were supplied by M/s MAJULAH KOKO TAWAU SDN BHD, Malaysia and were shipped from Malaysia. Further M/s MAJULAH KOKO TAWAU SDN BHD are one of the suppliers for which Director, Asian Economic Corporation, vide letter-dated 18.03.2014 informed that the MITI, Malaysia had conducted an internal investigation and verification visit to the two factories, which had supplied the goods. MITI had confirmed that

the raw materials used in the production of the finished products fulfil the 35% RVC. However, the suppliers expressed inability to provide cost structure due to data privacy. Further, as mentioned in paras supra, on verification of qualifying value content in the matter, **DRI had noticed that based on prevalent international price as well as information available on suppliers' website, the regional value addition would only be in the region of 13-17% as against minimum qualifying value of 35%.**

5.9 Further, relevant Para(s) to Article 16 of APPENDIX-D to the Operation Certification Procedures for the Rules of Origin for the ASEAN-India Free Trade Area (AIFTA) under head "VERIFICATION" stipulates that:-

"16. (a) The importing party may request a retroactive check at random and/or when it has reasonable doubt as to the authenticity of the document or as to the accuracy of the information regarding the true origin of the good in question or of certain parts thereof. The Issuing Authority shall conduct a retroactive check on the producer/exporter's cost statement based on the current cost and prices within a six-month timeframe prior to the date of exportation subject to the following procedures:

- (ii) the Issuing Authority shall respond to the request promptly and reply within three months after receipt of the request for retroactive check;*
- (iv) the retroactive check process, including the actual process and the determination of whether the subject good is originating or not, should be completed and the result communicated to the Issuing Authority within six months. While the process of the retroactive check is being undertaken, sub-paragraph (iii) shall be applied.*

From the above, it is seen that according to Article 16 (a) (ii) of APPENDIX-D (Operational Certification Procedures) to the Rules of Origin under the ASEAN India FTA, the Issuing Authority shall respond to the request promptly and reply within 03 months after receipt for retroactive check. Further, as per Article 16 (a) (iv), the retroactive check process, including the actual process and the determination of whether the subject goods is originating or not, should be completed and the result communicated to the issuing authority within 6 months. It is observed that in this case, the supplier of the Noticee denied providing the cost structure due to data privacy. However, there is no provision in the said Rules of Origin of India ASEAN FTA for denial of cost structure on the basis of data privacy. Further, Article 18 (b) of APPENDIX-D to the Operation Certification Procedures for the Rules of Origin for the ASEAN-India Free Trade Area (AIFTA) clearly obligates information relating to the validity of the AIFTA Certificate of Origin to be furnished upon request of the importing party.

5.10 From the available evidences as discussed in above paras, I find that the Noticee had wrongly availed concessional rate of Customs duty and had taken benefit of Notification No. 53/2011-Customs dated 01.07.2011. The Noticee had also contravened the provisions of Section 46(4) of the Customs Act, 1962 in as much as, they had mis-declared Country of Origin as 'Malaysia' imported as 'Cocoa Powder 10-12% FAT Content 11 MK-380' in the declaration in the form of Bill of Entry filed under the provision of Section 46 (4) of the Customs Act and thereby they wrongly availed the country of origin

benefit to evade the customs duty. Also, it is a case of wilful mis-statement and suppression of facts of correct qualifying Regional Value Content (RVC) of 35% to mis-state the country of origin and thus the Noticee is ineligible for availing exemption under Notification No. 46/2011-Customs dated 01.06.2011 & Notification No. 53/2011-Customs dated 01.07.2011. I rely upon decision in the case of ALFA TRADERS Versus COMMISSIONER OF CUSTOMS, COCHIN - 2008 (223) E.L.T. 289 (Tri. - Bangalore), wherein it was held that "No case law can be catapulted to level of universal theorem to be applied blindly ignoring facts of case". Further, in the matter of M/s SURYA LIGHT Vs. COMMISSIONER OF CUSTOMS, BANGALORE [2008 (226) E.L.T. 74 (Tri. - Bangalore)] it was held:

"7.3 The investigations have clearly revealed that the goods are of Chinese origin. Further, the Commissioner has clearly given a finding that in terms of the Origin Rules issued by the Government of India, the goods will not be entitled for the benefit of the exemption under the ISFTA. In view of this, the demand of duty on the impugned item is in order. The appellant is also liable for payment of Anti-Dumping duty and also the CG Duty. Hence, we confirm demand of duty to the tune ofWith these modifications, we dispose of the appeal."

5.11 The Noticee in their defence replies have denied the allegations made in the instant Show Cause Notice by stating that the prior to issue Certificate of Origin Form AI, MITI, Malaysia verifies the processing cost to establish the ASEAN content (RVC), Certificate of Origin provided to them, the Cocoa Powder is of Malaysia origin, this Certificate is from the Government Authority, also the Director, Asian Economic Co-operation, Ministry of International Trade and Industry (MITI), Delhi through MITI Malaysia has confirmed that it has fulfilled their obligation of Minimum 35% Regional Value Content, however Manufacturer (supplier) has refused to share the Cost structure to MITI, Malaysia. I find that the Noticee have contravened the provisions of Section 46 (4) of the Customs Act, 1962 in as much as they had intentionally availed/taken a wrong Customs duty benefit based upon invalid document namely Country of Origin Certificate in terms of Notification No. 46/2011-customs dated 01.06.2011 & Notification No. 53/2011-Customs dated 01.07.2011 and thereby suppressed material facts from the department and produced invalid Country of Origin Certificate as discussed supra for the imported goods, while filing the declaration at the time of importation of the imported goods. The assessments under Section 17 or 18 *ibid* are without prejudice to Section 46 and subsequent action including demand of differential duty with interest or any other action under the provisions of the Customs Act, 1962. In this regard, I rely in the decision of Commissioner of Central Excise, Belgaum Ltd. Versus Commissioner of C.E., Chandigarh-II [2001 (135) E.L.T. 1106 (Tri. - Del.)], wherein it was held that:

"9. The material on record would clearly show that there is suppression of fact as it clear from the order passed by the adjudicating authority and the appellate authority that there was no manufacturing activity involved in refurbishing and modification of the 3 washing machines, despite the same, Cenvat credit was claimed and though duty of Rs. 2,61,760/- was collected, the said fact was suppressed and therefore availed extended period of limitation. In view of the decision of the Hon'ble Supreme Court in Mysore Rolling Mills Private Limited v. Collector of Central Excise, Belgaum -

, wherein it has been clearly held that non-disclosure of receipt of such amount at the time of assessment extended period of 5 years applicable and Rule 10(1)(C) of the Central Excise Rules, 1944, corresponding to Section 11A of the Central Excises and Salt Act, 1944. Thus extended period was applicable. Hence, the Show Cause Notice issued after one year was not barred by limitation under Central Excises and Salt Rules wherein provision is identical to the provisions under the Central Excise Act.”

5.12 In view of above discussion and judicial pronouncement, I find that extended period under proviso to Section 28(4) of the Customs Act, 1962 is rightly invocable in the instant case. Accordingly, the total Customs duty leviable on the said goods is amounting to Rs. 55,67,938/- in respect of Bill of Entry as detailed in Annexure-B to the Show Cause Notice without allowing concessional rate of Customs duty benefit based on Country of Origin. I, further, find that the Noticee have already debited an amount of Rs.31,66,239/- towards Customs duty for the clearance of the imported goods by availing concessional rate of Customs duty based on Country of origin benefit which they are not entitled to based upon the facts as discussed in Paras supra. Therefore, differential Customs duty amounting to an amount of Rs.24,01,699/- (Rupees Twenty Four Lakh One Thousand Six Hundred Ninety Nine only) in respect of Bill of Entry as detailed in Annexure-B to the Show Cause Notice is recoverable in terms of Section 28 (4) of the Customs Act, 1962, along with applicable interest thereon under Section 28 AA of the Customs Act, 1962 and by denying concessional rate of customs duty benefit based upon the country of origin of imported goods.

5.13 The Show cause Notice has proposed for confiscation of imported goods under Section 111 (d), 111(m) and 111 (o) of the Customs Act, 1962.

In this context, the relevant parts of Section 111 of the Customs Act, 1962 are reproduced as under:

“Section 111. Confiscation of improperly imported goods, etc. – The following goods brought from place outside India shall be liable to confiscation:

- (d) any goods which are imported or attempted to be imported or are brought within the Indian customs waters for the purpose of being imported, contrary to any prohibition imposed by or under this Act or any other law for the time being in force;
- (m) any goods which do not correspond in respect of value or in any other particular with the entry made under this Act or in the case of baggage with the declaration made under section 77 in respect thereof, or in the case of goods under transshipment, with the declaration for transshipment referred to in the proviso to sub-section (1) of section 54;
- (o) any goods exempted, subject to any condition, from duty or any prohibition in respect of the import thereof under this Act or any other law for the time being in force, in respect of which the condition is not observed unless the non-observance of the condition was sanctioned by the proper officer;

From the relevant statutory provisions as reproduced above, I find that Section 111 (d) of the Customs Act, 1962 deals with the import of prohibited goods under Customs Act, 1962. Since, imported goods i.e. ‘Cocoa Powder 10-12% FAT Content’ does not fall under the list of prohibited

items, I find that said goods are not confiscable under Section 111 (d) of the Customs Act, 1962. Further, in terms of Section 46 (4) of the Customs Act, 1962, the importer was required to make declaration as regards the truth of contents of the Bills of Entry submitted for assessment of Customs duty but the Noticee have contravened the provision of Section 46(4) of the Customs Act, 1962 in as much as they had mis-declared the Country of Origin as Malaysia in the declaration of Bills of Entry and thereby, the Noticee have wrongly availed/taken the Country of Origin benefit knowingly and intentionally to evade Customs duty. Accordingly, the Noticee made wilful mis-statement of actual Country of Origin, suppression of facts of correct qualifying Regional Value Content (RVC) and therefore, I find that by indulging in mis-declaration & suppression of facts, the Noticee have contravened the provisions of Section 46(4) of the Customs Act, 1962 as they did not declare true particulars pertaining to Country of Origin and correct qualifying RVC. All these acts on the part of the Noticee have rendered the imported goods covered in the Show Cause Notice liable for confiscation under Section 111(m) and 111(o) of the Customs Act, 1962.

5.14 As the impugned goods are found to be liable for confiscation under Section 111 (m) and 111 (o) of the Customs Act, 1962, I find it necessary to consider as to whether redemption fine under Section 125 (1) of the Customs Act, 1962, is liable to be imposed in lieu of confiscation in respect of the imported goods, which are not physically available for confiscation. The Section 125 (1) *ibid* reads as under:

“Section 125. *Option to pay fine in lieu of confiscation. — (1) Whenever confiscation of any goods is authorised by this Act, the officer adjudging it may, in the case of any goods, the importation or exportation whereof is prohibited under this Act or under any other law for the time being in force, and shall, in the case of any other goods, give to the owner of the goods [or, where such owner is not known, the person from whose possession or custody such goods have been seized, an option to pay in lieu of confiscation such fine as the said officer thinks fit.”*

A plain reading of the above provision shows that imposition of redemption fine is an option in lieu of confiscation. It provides for an opportunity to owner of confiscated goods for release of confiscated goods, by paying redemption fine. In the matter of Commissioner of Customs (Imp.), Nhava Sheva Vs. S.B. Impex [2017 (358) E.L.T.358 (Tri. Mumbai)], it was held:

“6. It is noticed that the goods on which the Revenue has sought imposition of redemption fine were cleared and disposed of by the appellant. The said goods are not available for confiscation. The said goods were also not seized and released under any bond or undertaking. In these circumstances, the same cannot be confiscated and therefore, no redemption fine could have been imposed”.

Further, in the matter of Weston Components Ltd. Vs. Commissioner of Customs, New Delhi [2000 (115) E.L.T. 278 (SC)], it was held by the Hon’ble Supreme Court that:

“It is contended by the learned Counsel for the appellant that redemption fine could not be imposed because the goods were no longer in the custody of the respondent-authority. It is an admitted fact that the goods were released to the appellant on an application made by it and on the appellant executing a bond. Under these circumstances if subsequently it is found that the import was not valid

or that there was any other irregularity which would entitle the customs authorities to confiscate the said goods, then the mere fact that the goods were released on the bond being executed, would not take away the power of the customs authorities to levy redemption fine”.

The above judgment was delivered on specific issue and facts of the case were not discussed in detail in the said judgment. The above judgment was delivered by the Hon’ble Supreme Court in Civil Appeal No. 7144 of 1999, filed against the order of Hon’ble Tribunal reported at 1999 (84) ECR 259 (Tri Delhi). In the said order, Hon’ble Tribunal discussed the issue in brief wherein it is also mentioned that the goods involved in that case were provisionally released. Therefore, it emerges from the said judicial pronouncements that redemption fine can be imposed against those goods also which are not physically available but were provisionally released against bond.

Further, in the matter of Lubrizol Advanced materials India Pvt. Ltd. Vs. C.C.E. Vadodara-I [2013 (290) E.L.T. 453 (Tri.-Ahmd.)], it was held by the Hon’ble Tribunal that:

“Moreover, in the case of Weston Components reported in [2000 (115) E.L.T. 278 (SC)], the goods had been released provisionally under a bond and it is nobody’s case in this case that goods were seized and released provisionally under a bond. In the absence of seizure, the decision of the Hon’ble Supreme Court in the case of Weston Components cannot be applied”.

In the matter of Commissioner of Central Excise, Surat-II Vs. Citizen Synthesis [2010 (261) E.L.T. 843 (Tri. Ahmd.)], it was held by the Hon’ble Tribunal that:

“Learned SDR on behalf of the Revenue submits that Revenue is in appeal against the conclusion of Commissioner that clandestinely cleared goods which are not available for confiscation, cannot be confiscated and setting aside redemption fine of Rs. 50,000/- imposed. He relies on the decision of Hon’ble Supreme Court in the case of M/s. Weston Components as reported in [2000 (115) E.L.T. 278 (SC)], in support of his contention that redemption fine is imposable even when the goods are not available for confiscation. I find that the decision of Hon’ble Supreme Court in the case of M/s. Weston Components was rendered wherein the goods had been released to the appellant after execution of bond. Obviously, it was the case of provisional release. Learned SDR fairly admitted that in this case, the goods had not been provisionally released, but removed clandestinely. Therefore, the judgment cited by the learned SDR is not relevant.

In the matter of Commissioner of Central Excise, Surat Vs. Gunjan Exports [2013 (295) E.L.T. 733 (Tri. Ahmd.)], it was held that:

“5. I have considered the submissions and I find myself unable to appreciate the submissions. The Hon’ble Supreme Court had clearly held in the case of Weston Components Limited that when the goods are released provisionally on execution of bond, confiscation can be affected even if the goods are not available. The natural conclusion is that the goods should have been released on bond which would mean that the goods have been taken possession of by way of seizure and subsequently released on execution of bond. Admittedly that is not the situation in this case also. In this case, respondents themselves have diverted the goods and after diversion, proceedings have been initiated. There is no seizure of the diverted goods and release of the same provisionally on execution of bond. Therefore, the issue is covered by the decision of the Hon’ble Supreme Court and in the

absence of release on the basis of execution of a bond, goods could not have been confiscated. The decision of the Larger Bench of the Tribunal relied upon by the learned Commissioner is also applicable since in this case also there is no bond with a security is available. The B-17 Bond is a general purpose bond undertaking to fulfill the conditions of notification and other requirements and does not help the Revenue to confiscate the goods not available and impose the redemption fine in lieu of confiscation. Further, the confiscation always presumes availability of goods and presumption normally is that goods have been seized and thereafter the proceedings would culminate into confiscation or release. Confiscation would mean that seized goods become the property of the Government and the party to whom it is ordered to be released on payment of fine, will have to pay fine and redeem the goods. When the goods have been diverted and not released on execution of bond with conditions, the question of confiscation of the same does not arise since goods have already become someone else's property. Under these circumstances, I find no merits in the appeal filed by the Revenue and accordingly, reject the same".

From the above cited judgments/orders, I find that redemption fine can be imposed in those cases where goods are either available or the goods have been released provisionally under Section 110A of the Customs Act, 1962 against appropriate bond binding concerned party in respect of recovery of amount of redemption fine as may be determined in the adjudication proceedings. In the instant case, the impugned goods in respect of the Bill of Entry as detailed in Annexure-B to the Show Cause Notice were neither seized, nor released provisionally. Hence neither the goods are physically available nor bond for provisional release under Section 110A *ibid* covering recovery of redemption fine is available. I, therefore, find that redemption fine cannot be imposed in respect of imported goods pertaining to Bill of Entry as detailed in Annexure-B to the Show Cause Notice.

5.15 Now, I proceed to consider the proposal of penalty under Section 114A of the Customs Act, 1962 against the importer. I find that demand of differential Customs duty total amounting to Rs. 24,01,699/-, has been made under Section 28 (4) of the Customs Act, 1962, which provides for demand of duty not levied or short levied by reason of collusion or wilful mis-statement or suppression of facts. Hence as a natural corollary penalty is imposable on the Noticee under Section 114A of the Customs Act, 1962, which provides for penalty equal to duty plus interest in cases *where the duty has not been levied or has been short-levied or the interest has not been charged or paid or has been part paid or the duty or interest has been erroneously refunded by reason of collusion or any wilful mis-statement or suppression of facts*. In the instant case, the ingredient of wilful mis-statement or suppression of facts by the importer has been clearly established as discussed in the foregoing paras and hence, I find that this is a fit case for imposition of quantum of penalty equal to the amount of duty plus interest in terms of Section 114A *ibid*.

5.16 Further, penalty has also been proposed on the Noticee under Section 112 (a) of the Customs Act, 1962. In this regard, I find that fifth proviso to Section 114 A stipulates that "*where any penalty has been levied under this section, no penalty shall be levied under section 112 or section 114.*" Hence, I refrain from imposing penalty on the importer under Section 112 (a) of the Customs Act, 1962.

5.17 In regard to the proposal for Imposition of penalty on the Noticee under Section 114AA of the Customs Act, 1962, I find that they produced the country of origin document which was incorrect in as much as it falsely shows the country of origin as Malaysia though the AIFTA content is far less than 35% of the FOB value and thus the country of origin produced is in violation of Notification No. 189/2009-Customs (N.T.) dated 31.12.2009 viz., Customs Tariff {Determination of origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India} Rules, 2009. Hence, I find that the Noticee has knowingly and intentionally made, signed or caused to be made and presented to the Customs authorities such documents which they knew were false/fabricated and incorrect in respect of the imported goods. Hence, for the said act of contravention on their part, the importer is liable for penalty under Section 114AA of the Customs Act, 1962.

6. In view of the forgoing discussions and findings, I pass the following order:-

ORDER

- (i) I hereby reject the Country of Origin Certificate as a valid document issued as per Notification No. 53/2011-Customs dated 01.07.2011 and submitted by the importer purposefully, knowingly and intentionally for fraudulently claiming and availing Customs duty benefit covered under Bill of Entry as detailed in Annexure-B to the Show Cause Notice.
- (ii) I confirm and order to recover differential Customs duty totally amounting to Rs. 24,01,699/- (Rupees Twenty Four Lakh One Thousand Six Hundred Ninety Nine only) as detailed in Annexure-B to the Show Cause Notice from the importer M/s Shirazee Traders, 967, Raviwar Peth, Pune, Maharashtra - 411002, under proviso to Section 28 (4) of the Customs Act, 1962. I also order to re-assess the aforesaid Bills of Entry as detailed in Annexure-B to the Show Cause Notice after amendment under Section 149 of the Customs Act, 1962 and by denying concessional rate of Customs duty benefit based upon the country of origin of imported goods.
- (iii) I order to charge and recover interest from the importer M/s Shirazee Traders, 967, Raviwar Peth, Pune, Maharashtra - 411002, on the confirmed duty at Sr. No. (ii) above under section 28AA of the Customs Act, 1962.
- (iv) I hold the imported goods i.e. "Cocoa Powder 10-12% FAT Content 11 MK-380 ' totally weighing 76,200 Kgs, valued at Rs.1,05,36,103.97/- imported vide Bill of Entry as detailed in Annexure-B to the Show Cause Notice liable for confiscation under Section 111(m) and 111(o) of the Customs Act, 1962. Since, the imported goods are not physically available; therefore, I refrain from imposing any redemption fine in lieu of confiscation.
- (v) I impose penalty of Rs. 24,01,699/- (Rupees Twenty Four Lakh One Thousand Six Hundred Ninety Nine only) on the importer M/s Shirazee Traders, 967, Raviwar Peth, Pune, Maharashtra - 411002, under Section 114A of the Customs Act, 1962 in respect of Bill of Entry detailed at Annexure- 'B' to the Show Cause Notice. However, I give an option, under proviso
