Facility Notice No.-58 /2015-16

Subject: Website of Mundra Custom House at www.mundracustoms.gov.in-Reg.

The website for Mundra Custom House, a demand and necessity since quite long, which has been designed providing readily available information to the public at large can be accessed at www.mundracustoms.gov.in.

2. While designing the website it has been tried to include all the required and necessary links and information for the trade and the officers. However, there are still few things that are to be updated on the website, which will be done in due course. Further, it is planned to make the website not only informative for the various stakeholders but also keep it interactive so that the suggestions and grievances may be communicated through our website.

3. For making the website better, feedbacks may be submitted using option of 'Enquiry Form' and 'Feedback Form' under the tab 'Contact Us' on homepage of website. Primarily whatever enquiries and feedback will be received, they will be routed to the respective sections to which the matter pertains through EDI, and subsequently it is planned that the feedback and enquiries to be submitted to the concerned section directly on their respective email ids.
