Public Notice No.-11/2016-17

Sub:- Procedure for Removal of EGM Error -regarding.

Kind attention of the Exporters/Customs Brokers and the trade is invited with regard to the procedure of filing of EGM. As per Section 41 of the Customs Act, 1962, the person-in-charge of a conveyance carrying export goods shall, before departure of the conveyance from a customs station deliver to the proper office in the case of a vessel or aircraft, an export manifest, and in the case of a vehicle and export report, in the prescribed form.

2. It has been observed that a large number of shipping bills processed at the Indian Customs EDI (Electronic Data Interchange) System get stuck either because of wrong or incorrect entry of the Bill Number at the time of Goods Registration of export cargo, or due to incorrect feeding of data in the ICES EDI system either at the service centre or at ICEGATE. Further, it is observed that 'L' i.e. LEO error occurs when the system is down or slow and print is delayed but LEO had been given and this needs to be cleared in the ICEGATE forcefully with update.
3. In order to facilitate quick removal of EGM Errors in the EDI System, henceforth Error L i.e, LEO Error will be removed by the MCD section. The representative of the CHA should approach the Batch Officer with the request letter for removal of Error L i.e., LEO Error and thereafter the Batch Officer will remove the error in the EDI system after verifying the details in the S/Bill and the EGM.
4. The procedure for removal of other EGM errors will continue to be followed in the same way as is being done at present. The CHA/Exporter will approach the EGM coordinate section for removal of other errors.
5. Difficulty, if any faced in the implementation of this Public Notice may be brought to the notice of the under signed.
