**Public Notice No.-21 / 2016-17**

**Subject: Dispensing off the requirement of Mate Receipt-reg.**

Attention of Exporter, Importers, Customs House Agents, Members of Trade and all the stakeholders is invited to the subject matter.

2. At present Mate receipt copies are being asked by Boarding Officer as proof of loading of containers in the vessel and by EP copy print out section before giving printout of EP copies of Shipping Bills. Considering the fact that EGM is the proof of the export of containerized cargo and also considering the fact that the same database is used for generation of Mate Receipt and EGM, there should not be any separate requirement of production of Mate Receipt of Customs purposes except in case of manual Shipping Bills and Bulk cargo as a proof of export.

3. It is therefore, decided to dispense off with the requirement of:

- i. Endorsement of shipping bills in the port area;
- ii. production/submission of Mate's Receipt before Boarding Officer (Earlier, being submitted to Boarding Officer for endorsement of shipping bills);
- iii. Production /Submission of Mate's Receipt for issuing EP copies of EDI Shipping Bills.

Difficulties, if any in this regard may be brought to the notice of this office.
