Sub.-: Show Cause Notice F. No: VIII/48-690/Krishana Product/Adj/Gr-I/MCH/19-20 dated 27.08.2019 issued to M/s. Krishna Products, Opp. Uday Gas Agency, Near Rudraksh Hospital, Krishna Nagar Road, Naroda Patiya, Gujarat-382345.

BRIEF FACTS OF THE CASE

M/s. Krishna Products, Opp. Uday Gas Agency, Near Rudraksh Hospital, Krishna Nagar Road, Naroda Patiya, Gujarat-382345 (hereinafter referred to as "Importer"/ "Noticee" for sake of brevity) had filed a Bill of Entry No. 7912632 dated 04.09.2018 through Custom Broker M/s Baba Ramdev Shipping for clearance of imported goods declared as 'Natural Cocoa Powder 10-12% Fat Content'. The goods have been shipped from Malaysia, falling under Custom Tariff Item 18050000 to the First Schedule of the Customs Tariff Act, 1975. The importer filed the Bill of Entry through the Customs Broker for clearance of the aforesaid goods by availing concessional rate of Customs duty benefit on the basis of Country of Origin certificate prescribed under Notification No. 46/2011-Cus, dated 01.06.2011, as amended. Based upon the self-assessed declarations regarding country of origin benefit made by the importer in the aforesaid bill of entry, the import goods viz. Natural Cocoa Powder 10-12% Fat Content were cleared, having Gross weight 15 MT and assessable value of Rs. 19,19,700/- imported vide Bill of Lading No. OOLU2608388710 dated 02.02.2019 and Invoice No. 3029473 dated 18.08.2018.

1.1 In terms of new Customs audit methodology, where "Theme Based Audit (ThBA) has been considered as an important element of entire Customs Audit system, erstwhile Central Board of Excise & Customs (CBEC) which is now Central Board of Indirect Taxes and Customs (CBIC) (herein after referred to as Board) vide letter D.O.F. No. 450/72/2016-Cus-IV dated 26.07.2018 allocated various "Audit Themes" to Audit Commissionerates for "Coordinating the audit" across India for issues arising out of such theme based audit.

1.2 One of the themes allocated to Nhava Sheva Audit Commissionerate (Mumbai Customs Zone-II) is "FTA benefit on imports of Cocoa powder from Malaysia" under Customs Notification No 46/2011-Customs, dated 01.06.2011 and Notification No. 53/2011-Customs, dated 01.07.2011.

1.3 Cocoa Powder is regularly being imported from Malaysia under Free Trade Agreement (FTA) by importers from various ports by availing the benefit of duty exemption under aforesaid Notifications.

1.4 The benefit under Notification No 46/2011-Customs is available provided the goods are of Malaysian Origin in accordance with provision of the Customs Tariff [Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India] Rules, 2009, published vide Notification No. 189/2009-Customs (N.T.) dated 31.12.2009. As per the aforesaid Rules, the "Certificate of Origin" is required to be issued by the designated authority and in case of goods not wholly produced or obtained products in Malaysia, the AFTA (ASEAN-India Free Trade Area) content should not be less than 35% of the FOB value.

1.5 Similarly, benefit of the Customs Notification No 46/2011-Customs, dated 01.06.2011 and Notification No. 53/2011-Customs, dated 01.07.2011 are available provided the goods are of Malaysian origin in accordance with provisions of the Customs Tariff (Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of the Republic of

India and Malaysia) Rules, 2011, published Notification No. 43/2011-Customs (N.T.). As per the aforesaid Rules, in case of goods not wholly obtained or produced goods from Malaysia, the qualifying value content of the goods should not be less than 35% of the FOB value.

1.6 The matter regarding verification of qualifying value content was taken up for investigation by Directorate of Revenue Intelligence, New Delhi. Based on some of the "Certificates of Origin" issued for this product, it was noticed that the goods were derived from Cocoa beans of Ghana Origin and in such cases, based on prevalent International price as well as information available on supplier's website, it appeared that the regional value addition would only be in the region of 3-17% as against minimum qualifying value of 35% of the FOB value. Accordingly, the matter was taken up by the Director ICD, of the Board with the High Commission of Malaysia in Delhi vide letter dated 10.01.2014 for verification. In response thereto, the Director, Asian Economic Corporation, Ministry of International Trade and Industry (MITI), Delhi vide letter dated 18.03.2014 informed that the "Ministry of International Trade and Industry (MITI) Malaysia" have completed a verification visit to both the factories M/S JB Cocoa and Guan Chong Cocoa to verify the information regarding raw material used in the production of cocoa powder for export to India. Based on the verification visit and internal investigation of both factories, MITI stated that the raw material used in the production of finished goods has fulfilled the 35% Regional Value Content (RVC) under the ASEAN India Free Trade Agreement (AIFTA), however they showed their inability to provide the cost structure due to data privacy.

1.7 According to Article 6(a) (ii) of Annexure-III (Operational Certification Procedures) to the Rules of Origin under the ASEAN India Free Trade Agreement, the issuing Authority shall respond to the request promptly and reply within 03 months after receipt for retroactive check. According to Rule 16 (a)(iv), the retroactive check process, including the actual process and the determination of whether the subject goods is originating or not, should be completed and the result communicated to the issuing authority within 06 months.

1.8 There is no provision in the said Rules of Origin of India ASEAN FTA for denial of cost structure on the basis of data privacy. Article 18 (b) clearly obligates information relating to the validity of the AIFTA Certificate of Origin to be furnished upon request of the importing party.

1.9 In view of the above, it was decided by the Board to deny the preferential Customs duty benefit in the said matter and accordingly Board vide letter F.NO. 456/12/2013-Cus.V dated 07.05.2014 issued necessary direction for taking necessary action.

1.10 In this regard, Hon'ble CESTAT decision in the case of M/s Alfa Traders Vs Commissioner of Customs, Cochin reported in 2007(217) ELT 437 and 2008(223)ELT 289 are squarely applicable wherein it has been held that if the certificate of origin is not correct on facts, it can be rejected for disallowing the duty exemption. Similarly, the case law in the matter of M/s Surya Lights Vs Commissioner of Customs reported in 2008 (226) ELT 74-Tribunal Bangalore is also equally relevant.

1.11 In terms of Section 46 (4) of Customs Act, 1962, the importer is required to make a declaration as regards the truth of the contents of the Bill of entry submitted for assessment of Customs duty. In view of the discussions made in the foregoing paras, it appeared that the said noticee have wrongly taken benefit of Notification No 46/2011-Customs dated 01.06.2011. Thus it appeared that the said noticee has contravened the provisions of sub section (4) of Section 46 of the Customs Act, 1962, in as much as, they had mis-declared Country of Origin as Malaysia imported as Cocoa Powder in the declaration in the form of Bills of Entry filed under the provisions of Section 46(4) of the Customs Act 1962 and thereby they wrongly availed the country of origin benefit to evade the customs duty. Hence, it appears that importer M/s. Krishna Products, Opp. Uday Gas Agency, Near Rudraksh Hospital, Krishna Nagar Road, Naroda Patiya, Gujarat-382345 has knowingly and with intention by design taken the benefit of Notification No. 46/2011-Cus dated 01.06.2011. It appeared to be a case of wilful misstatement of actual country of origin, suppression of facts of correct qualifying Regional Value Content (RVC) and of ineligibility of said exemption Notification (Supra) due to non-fulfilment of Regional Value Content (RVC) of 35% and thus ineligibility of exemption under Notification no. 46/2011-Cus dated 01.06.2011 with intention and to evade duty of Customs. This constitutes an offence of the nature covered in section 111 (d), 111(m) and 111 (o) of the Customs Act, 1962 and the goods imported appeared liable for confiscation under section 111 (d), 111(m) and 111 (o) of the Customs Act,1962.

1.12 In view of the facts discussed in the foregoing paras and material evidences available on record, it appeared that the importer has contravened the provisions of Section 46(4) of the Customs Act, 1962 in as much as they had intentionally taken a wrong Customs duty benefit based upon invalid document namely Country of Origin Certificate in terms of the Notification No. 46/2011 dated 01.06.2011, and thereby they have suppressed material facts from the department and produced invalid Country of Origin certificate as mentioned above for the imported goods, while filing the declaration, seeking clearance at the time of the importation of the impugned goods. Thus, the said importer also appear liable for penal action under the provisions of Section 112(a) and / or Section 114 A of the Customs Act, 1962 for importing the Impugned goods based upon invalid and improper document viz. Country of Origin certificate leading to unlawful, illegal and wrong availment of concessional Customs duty benefit under Notification No. 46/2011 dated 01.06.2011 by them. It also appears that importer is liable for penalty under section 114 AA of the Customs Act, 1962 for knowingly and intentionally using the country of origin documents (COO No. JB-2018-AI-21-005128 dated 26.08.2018) which was incorrect in material particularly in as much as it falsely shows the country of origin as Malaysia though the AIFTA (ASEAN-India Free Trade Area) content is far less than 35% of the FOB value and thus the country of origin produced is in violation of Notification No. 189/2009-Customs (N.T.) dated 31.12.2009 viz., Customs Tariff (Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India) Rules, 2009.

1.13 The importer has paid total duty amount of Rs.3,45,546/- in respect of said bill of entry no. at the time of assessment of goods after wrongly availing concessional Customs duty benefit under Notification No. 46/2011 dated 01.06.2011.

1.14 The total Customs duty leviable on the said goods amount to Rs. 10,93,077/- without allowing concessional rate of Customs duty benefit based on Country of Origin benefit of Malaysian origin. Concessional rate of Customs duty based on Country of Origin for the imported goods is not available to them for the reasons as discussed in the foregoing paras. The importer has already paid an amount of Rs. 3,45,546/- for the clearance of the impugned import goods by availing concessional rate of Customs duty based on Country of Origin benefit which they are not entitled to base upon the facts brought on record as discussed in the foregoing paras. Therefore, it appeared that the amount of differential Customs duties amounting to Rs. 7,47,531/- (Rupees Seven Lakh Forty Seven Thousand Five Hundred Thirty One only) as detailed in Annexure-B to this show cause notice; attributable to concessional rate of Customs duties based upon wrong availment of Country of Origin benefit; appeared demandable and recoverable in terms of section 28(4) of the Customs Act, 1962, along with applicable interest thereon under section 28AA of the Customs Act, 1962 from them by re-assessing the aforesaid Bill of Entry after amendment under Section 149 of the Customs Act, 1962 and by denying concessional rate of customs duty benefit based upon the country of origin of import goods.

2. In view of the above, a show Cause Notice F.No. VIII/48-690/Krishna Products/Adj/Gr.I/MCH/19-20 dated 27.08.2019 was issued, whereby the importer M/s. Krishna Products, Opp. Uday Gas Agency, Near Rudraksh Hospital, Krishna Nagar Road, Naroda Patiya, Gujarat-382345, were called upon to show cause to the Additional Commissioner of Customs, Custom House Mundra having his office at, 1st Floor, Port User Building, Mundra Port, Mundra, Kutch, Gujarat as to why:-

- (i) Country of Origin Certificate issued as per the Notification No. 46/2011 dated 01.06.2011 submitted by the importer purposefully, knowingly and intentionally for fraudulently claiming and availing Customs duty benefit. The importer is called upon to show cause as to why certificate of country of origin should not be rejected as a valid document for availment of the concessional rate of customs duty benefit based upon the country of origin of the impugned imported goods;
- (ii) The total quantity of 15MT of goods declared as 'Cocoa Powder' imported vide Bill of Entry no. 7912632 dated 04.09.2018 and having total assessable value of Rs. 19,19,700/- should not be held liable for confiscation under the provisions of Section 111(d), 111(m) and 111(o) of the Customs Act, 1962 for the act of willful mis-statement and intentional suppression of facts by the importer with regard to the description and Country of Origin of the import goods by way of submitting false and incorrect Country of Origin certificate as Malaysia leading to unlawful, illegal and

wrong availment of concessional Customs duty benefit under Notification No. 46/2011 dated 01.06.2011 by them.

- (iii) The total amount of differential Customs duties amounting to Rs. 7,47,531/-(Rupees Seven Lakh Forty Seven Thousand Five Hundred Thirty One only) in respect of said Bill of Entry as detailed in Annexure B to this show cause notice; attributable to the concessional rate of Customs duties based upon wrong availment of Country of Origin benefit by the importer under Notification No. 46/2011-Cus dated 01.06.2011 should not be demanded and recovered from them in terms of section 28(4) of the Customs Act, 1962, along with applicable interest thereon under section 28AA of the Customs Act, 1962 by re-assessing the aforesaid Bill of Entry after amendment under Section 149 of the Customs Act, 1962 and by denying concessional rate of customs duty benefit based upon the country of origin of imported goods.
- (iv) Penalty should not be imposed on them under Sections 112(a) and / or 114A of Customs Act, 1962.
- (v) Penalty should not be imposed on them under section 114 AA of the Customs Act, 1962.

DEFENCE SUBMISSION

3. The Noticee vide their letter dated 19.12.2019, received in this office on 19.12.2019, submitted their defence reply wherein they denied all the allegations leveled in the SCN. The main contents of their defence reply are submitted as under-

3.1 It is put on record that the Certificates of Origin issued by the Competent Authority of the Govt. of exporting country are valid documents and the same are not tainted in any manner and the said certificates contain information which is true and correct in respect of all material particulars in particulars the value addition as per the Rules of Origin and there is no evidence produced in the impugned SCN's that any particular given in the said certificates is incorrect in any manner and thus the benefit of notification was correctly extended and the present SCN are total erroneous and are thus required to be quashed .

3.2 The SCN fails to bring on record the replies received from the Ministry of International Trade and Industry, Government of Malaysia (**hereinafter referred to as MITI for short**) wherein the MITI had categorically confirmed that the certificates were having RVC content as per the laid down criteria and satisfy the condition as per Rules of origin and notification.

3.3 The impugned SCN has been issued as per the clear cut directions given by the CBIC/ Commissioner JNCH which shows that the proceedings are not being conducted in a fair, just and proper manner and no credence is being shown to the settled legal position or the principles of natural justice. A Writ Petition No. 3474 of 2018 was filed before the Hon'ble High Court of Bombay inter-alia challenging an identical SCN which were issued proposing denial of benefit of notification no. 46/2011 dt. 1.6.2011 in respect of imports from Malaysia and the allegations were identical and the SCN were issued at the instance of CBIC and though the

Hon'ble High Court. vide order dated 09.07.2019 has dismissed the Writ Petitions finally yet directed that the adjudicating authorities should decide the Show Cause Notices without in any manner being influenced by the view taken by the CBIC. The Reliance in this regard is placed on the following judgments:-

Govardhandas Bhanji-1952(AIR-16) (SC), Bhagyashree International- 2008 (224) ELT 162 (Tri. - Chennai), Indian Aluminum Co. Ltd.- 1983 ELT 349 (Del), Shree Rajasthan Syntex Ltd.-1985 (22) 726 (Raj.), the Hon'ble High Court of Delhi in the matter of Bullion and Jewelers Association - 2016(335).

3.4 They have requested to make us available the copies of various documents which were directly referred and relied upon in the relied upon documents but copies thereof were not brought on record or made available to us so as to enable us to file an effective defense reply in the matter.

3.5 However so as to prove our bona fide, they are filing the present reply as an interim measure and we crave leave to file final reply after receipt of the documents and we also crave leave to modify the present reply, if so as required, after receipt and scrutiny of the documents.

3.6 As per the Rules of Origin notified vide Notification No. 189/2009-cus dated 31.12.2009 each and every certificate is required to be verified indecently and the allegations made on the basis of certain letters pertaining to imports in the years 2014 or earlier cannot be made the basis of any proceeding without conduction retroactive check and verification visits and without bringing on record the details of such verification and retroactive checks in respect of the imports which are subject matter of the present proceedings.

3.7 They bring on record the judgment of the Hon'ble Supreme Court In the matter of – Union of India vs. Azadi Bachao Andolan in Appeal No. 8161-8162 and 8163 ,8164 of 2003 (2003 263(ITR) 706 (SC) wherein the government of India had taken a categorical stand before the Hon'ble Supreme Court, which was upheld by the Hon'ble Supreme Court to the effect that the certificates issued by the Ministries of Foreign Governments under the Treaties with such Governments constitute sufficient evidence which is required to be accepted. The SCN does not allege that the issuing authority of Govt. of Malaysia , Ministry of International Trade and Industries was in collusion with any person or the certificates issued by them are not genuine and thus the same can not be rejected and continue to be a valid document for extending the benefit of notification.

3.8 They put on records an O-in-O No.126/2016-17/CC/NS-I/JNCH dt. 31.1.2017 in the matter of Morde Foods Pvt Ltd passed by Commissioner of Customs NS-I JNCH, wherein even the certificate of JB Cocoa were held to be valid and it was held that RVS certificates by the MITI can't be rejected . In the present case there is no allegation or any oral or documentary evidence in support of the proposal to reject the RVC given in certificates and thus these orders squarely applies to the present case. Further recently the Commissioner of Customs (Appeals)

JNCH also vide an order –in Appeal No. 1251 (Gr-I)/IA/(2019(JNCH)/Appeal-II dt. 9.9.2019 in the matter of Starcom Food India Ltd. also allowed benefit of notification no. 46/20111-Cus dt. 1.6.2011 and quashed similar proceedings.

3.9 The issuance of SCN under the provisions of section 28 (4) read with section 124 of the Customs Act, 1962 is totally in excess of jurisdiction as the issue involved is required to be settled / decided strictly as per the Article 18 and Article 24 of the FTA wherein it is laid down that any dispute concerning the interpretation, implementation or application of this Agreement shall be out in the ASEAN-India DSM Agreement.

3.10 It is put on record that in any case, if the authenticity of the COO is in doubt or the importing country having a reasonable doubt about the same then as per Article 16 of the Operational Certification Procedures, the verification and retroactive checks and verification visits are required to be carried out as per Article 16 & 17 and if the dispute is not settled even under Article 16 or 17 then the aggrieved party must necessarily resort to Article 24 of the AIFTA Rules of origin and if no mutually satisfactory solution is reached under Article 24 then the party concerned , in this case the Government of India, was under obligation to invoke the Dispute Settlement Mechanism under the ASEAN India DSM Agreement. Thus the provisions of Customs Act, or in particular the demand under section 28 (4) is totally illegal as the proceedings under the Treaty and under the Customs Act are mutually exclusive and thus the Government of India is bound by the AIFTA agreement. In this regard reliance is placed on the following judgments of the Hon'ble Supreme Court -

Govardhandas Bhanji -1952(AIR-16)(SC), Rao Shiv Bahadur Singh v. State of Vindhya Pradesh reported as AIR 1954 SC 322, State of U.P. Vs. Singhara Singh, reported as AIR 1964 SC 35, Babu Verghese Vs. Bar Council of Kerala reported as (1999) 3 SCC 422, Hussein Ghadially Vs. State of Gujarat, reported as (2014) 8 SCC 425, Saral Wire Craft (P) Ltd. Vs. Comm. of Customs, Central Excise & Service Tax reported as (2015) 14 SCC 523, Commissioner of Customs (I), Chennai vs. Do Best infoway-2016(336) ELT 156 (T)

3.11 they have made the declaration under Section 46(4) on the basis of the documents received from the supplier such as invoice, bill of Lading and the country of origin certificate issued by the Government of the exporting country and they have made the said declaration under the bonafide and reasonable belief that the said documents contain true and correct particulars. More so that the documents such as Country of Origin certificate was issued by a sovereign Nation as the Treaty entered with the Republic of India .

3.12 All the Bs/E mentioned in annexure to the SCN were assessed finally under section 17 (2) of the Customs act, 1962 by the proper officer and in respect of many Bs/E the value was also loaded and thus all the B/E were assessed by the proper officer after due application of mind and satisfaction. Each and every AIFTA certificate in respect of each B/E was verified by the proper officer and after due satisfaction the same was debited by making an endorsement on each of the certificates and thus the assessments were made after verification of all material

particulars as declared in the Bs/E and also after verification of all requisite documents which were submitted along with the B/E including the AIFTA certificates and it is not the case of the department any documents or information was withheld by the importers and / or any document which was requisitioned was not submitted. Reliance in this regard is placed on the judgment of Priya Blue Industries – 2004 (172) ELT 145 (SC), 2000 (120) ELT 285 (SC) Flock India Ltd, Lord Shiva Overseas -2005(181)ELT 213 (Tri.-Mumbai) and Paras Electrical – 2009 (246) ELT 231 (T) .

3.13 The importers had imported consignments of Cocoa Powder from M/s. J B Cocoa SDN and the goods covered by their invoices were shipped directly from Malaysia and were manufactured / produced by M/s. J B Cocoa SDN . Each of the consignments was accompanied with a certificate of origin issued by Ministry of International Trade and Industry (MITI) and was signed by Secretary General of the MITI Malaysia and the said certificates were issued as per ASEAN India Free Trade Area Preferential Tariff and was certifying the origin criteria as per Note- 3 (a) of the overleaf notes of the certificate of origin. All the certificates of origin were duly verified in respect of signatures and other material particulars, including the origin criteria as mentioned in column 8 of the certificate read with note -3 of the overleaf notes and was accepted by the proper officer at the time of assessment of the B/E under section 17 of the Customs Act, 1962 and thereafter at the time of examination of the goods and at the time of passing orders of clearance for home consumption under section 47 of the Customs Act, 1962.

3.14 They have imported the goods in the normal course and all requisite precautions were taken and all the goods were imported as per the Treaty entered by India with Malaysia and AIFTA and as per Rule of origin and in terms of the notifications no. 46/2011 . They have taken all requisite documents from the supplier / and manufacturer and all the documents were duly issued by the competent authorities i.e. Ministry of Trade and Industry (MITI) and no evidence is brought on record that we have not followed the laid down procedure as per the Rules of Origin or the Treaty or the Notification.

3.15 It is a matter of record that neither the supplier is our agent or employee and thus the provisions of section 28 (4) cannot be invoked on the basis of any allegations acts or omissions committed by the supplier and thus no demand of duty can be made from the importer under the provisions of section 28 (4) of the Customs Act, 1962. They place reliance on the judgment of the Hon'ble Supreme Court in the case of Continental Foundation Jt. Venture - 2017 (216) ELT 177 (SC) wherein it is held the mere omission to give correct information cannot be called to be a suppression or willful mis-statement and in the matter of – CC Mumbai A.S. Muloobhoy & Sons reported in 2015 (318) E.L.T. 576 (S.C.) wherein it has held that once the department is in the knowledge of things the extended period cannot be invoked.

3.16 As regards extended period u/s 28 and ingredient of section 28 regarding collusion, mis-statement and suppression are concerned, they shall also be placing reliance on following judgments:-

- a) 2001 (135) E.L.T. 1085 (Tri.-Mumbai)- Scientific Pharmacy Vs. Commissioner of Cus., ACC, Mumbai.
- b) Hico Enterprises - 2005 (189) ELT 135 (CESTAT-LB) [upheld by the Hon'ble Supreme Court in 2008 (228) ELT 161 (S.C.)]

3.17 The goods are not rendered liable to confiscation because of the failure to carry out due diligence or because of the alleged violation of Rules of Origin by MITI or MSC and the very basis of the SCN proposing invalid extended period under section 28 or 111 or 112 or 114A, 114AA of the Customs Act, 1962. Thus the SCN is otherwise totally erroneous and is required to be quashed Reliance, in this regard rely on the following judgments: -

- i) Bearrau Veritas -2003 (156) ELT 688 (T) as affirmed by SC in 2005 (181) ELT 3 (SC)
- ii) 1996 (83) E.L.T. 557 (Tribunal) Sanco Trans Limited

3.18 The SCN also invokes penal provisions under section 111, 112A 114A 114AA of the Custom Act, 1962 and in this regard it is submitted that it is settled law that when the demand of duty on any ground including limitation is not sustainable, no penal action can be taken and thus no penalty can be imposed under the provisions of Customs Act, 1962 . Reliance in this regard is placed on the judgment of the Hon'ble Supreme Court in the matter of HMM ltd.

3.19 All material particulars including value were correctly declared in the B/E and thus the goods cannot be held liable to confiscation under section 111 (m) of the Custom Act, 1962 and further the SCN does not specifically brings on record as to which particular was wrongly mentioned in the B/E and all particulars i.e each and every entry made in each and every column of the B/E was true and correct and was verified by the proper officer and thus the

allegation is totally false and is unsubstantiated and thus the goods cannot be held liable to confiscation under section 111 (m) of the Customs Act, 1962. It is also put on record that there was no post import condition imposed in respect of the goods and thus there was no observance of any of the condition subject to which the exemption from duty was granted and thus the goods cannot be and are not liable to confiscation under the provisions of section 111 (o) of the Customs Act, 1962 and the provisions have been invoked without any supporting evidences.

3.20 The kind attention is invited to the SCN and in a particular to Para 12,13,14 & 17 and it may please be appreciated that there is not even an averment that they have committed any acts or omissions and / or aided or abetted in omission or commission of any acts which have allegedly rendered the goods liable to confiscation under section 111 of the Customs Act, 1962 and thus the provisions of section 112 has been wrongly invoked and thus no penalty is imposable on us under section 112 of the Customs Act, 1962.

3.21 As regard proposal to imposition of penalty under section 114 A is concerned, all submissions made herein above in regard to the wrong invocation of section 28 (4) of the Customs Act, 1962 are reiterated and it is put on record that they were not in any collusion or they have not made any mis statement and / or there is no suppression and thus no penalty can be imposed on us under the provisions of section 114 A of the Custom Act, 1962.

3.22 It may please be appreciated that in the present case they are not aware were not having any knowledge there is no allegation or evidence that they were aware of any alleged variations in the RVC or certificate in origin and in fact all Indian importers including Government of India undertaking such as MMTC have imported similar and identical goods with identical accompanied certificate and documents and were not aware about any alleged variations in RVC and further the SCN itself reaches at the conclusion that there was only lack of due diligence, on the part of the Indian importer and thus there is no allegation that any documents was used with knowledge and thus no penalty under section 114 AA can be imposed on them.

3.23 The SCN relies upon two judgment in the matter of Alpha Traders -2007 (217) ELT 437 (T-Bang) and 2008 (223) ELT 289 (Tri Bang) but totally ignores the fact that these judgments are distinguishable on facts and the same have wrongly been referred in the impugned SCN.

3.24 They crave leave to file further reply after receipt of the documents specified in their earlier letters and above and they also crave leave to add amend or modify the above reply after receipt and scrutiny of the documents.

4. Further on behalf of the noticee, Shri. S. A. Sahota, Consultant, vide their letter dated 06.01.2020, received in this office on 13.01.2020, has further submitted their defence reply in which they have mainly repeated their earlier submissions and have also placed their reliance on the same judgement/decisions. Since submissions of the Noticee are on the same set of

issues with same contentions which have been placed above in details, the same are not repeated for the sake of brevity. However, some other relevant portions of their defence are submitted as under-

4.1 At the outset I am thankful for granting me a patient hearing on 26.12.2019 and in continuation to the written submissions already on record and made during the personal hearing I am making the following further submissions and request that the same may also be taken on record and considered before taking any decision in the matter.

4.2 I have now received copy of MITI letter dated 18.03.2014 under the cover of a letter dated 27.12.2019 (DIN. 20191271MO0000WAFD7) and the said letter categorically states as under:-

"2. For your information, the Ministry of International Trade and Industry (MITI) Malaysia have completed a verification visit on 18 February 2014 to both factories (JB Cocoa and Guan Chong Cocoa) to verify the information regarding raw materials used in the production to cocoa powder for exports to India.

3. Based on the verification visit and internal investigation to both factories, MITI confirms that the raw materials used in the production of the finished products has full filled the 35% Regional Value Content (RVC) under the under the ASEAN India Free Trade Agreement (AIFTA). However we are not able to provide you the cost structure due to date privacy.

4. If you wish to proceed with the verification visit, kindly provide us the supporting documents (C/O forms related) and contact the relevant Parties as stated in the ASEAN-India Operational Certification Procedures for the Rules of Origin under Articles 16 and Article 17. "

4.3 From the above, it may please be appreciated that the MITI had categorically confirmed that the material used in the manufacture of finished goods have met the laid down criteria of RVC under the ASEAN FTA and thus the competent sovereign authority has re- confirmed the validity of the certificates which were questioned and thus nothing survives to make any further allegation or to propose to deny the benefit of the notification even in respect of the consignments which were under verification.

4.4. The MITI had also categorically offered, in the above mentioned letter dt. 18.03.2014, n to proceed with the verification visits by the concerned parties. However nothing is brought on record to show that any verification visit or retroactive checks were conducted by any Indian authorities and the results/findings of such verification have not been brought on record and instead the recourse for recovery of duty under the pretext that the information has not been given duo to data secrecy is taken which is totally premature and erroneous as no evidence is brought on record that the RVC was not as per the declarations given in the COO duly issued by the competent authority.

- rate of customs duty benefit based upon the country of origin of the impugned imported goods;
- (ii) Whether the total quantity of 15 MT of goods declared as 'Cocoa Powder' imported vide Bill of Entry no. 7912632 dated 04.09.2018 and having total assessable value of Rs. 19,19,700/- are liable for confiscation under the provisions of Section 111(d), 111(m) and 111(o) of the Customs Act, 1962.
 - (iii) Whether the differential Customs duties amounting to Rs. 7,47,531/- (Rupees Seven Lakh Forty Seven Thousand Five Hundred Thirty One only) in respect of Bill of Entry no. 7912632 dated 04.09.2018 is required to be demanded and recovered from the importer in terms of section 28(4) of the Customs Act, 1962, along with applicable interest thereon under section 28AA of the Customs Act, 1962 by re-assessing the aforesaid Bill of Entry after amendment under Section 149 of the Customs Act, 1962 and by denying concessional rate of customs duty benefit based upon the country of origin of imported goods.
 - (iv) Whether the importer M/s. Krishna Products is liable for Penalty under Sections 112(a) and / or 114A of Customs Act, 1962.
 - (v) Whether the importer M/s. Krishna Products is liable for Penalty under Section 114AA of Customs Act, 1962.

6.1 I find that the importers had imported Cocoa powder by availing benefit of Notification No. 46/2011-Cus, dated 01.06.2011 and Notification No. 53/2011-Customs dated 01.07.2011, (as amended time to time), however the benefit of Notification No 46/2011-Customs is available provided that the goods are of Malaysian Origin in accordance with provision of the Customs Tariff (Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India] Rules, 2009, published vide Notification No. 189/2009-Customs (N.T.) dated 31.12.2009. As per the aforesaid Rules, the "Certificate of Origin" is required to be issued by the designated authority and in case of goods not wholly produced or obtained products in Malaysia, the AIFTA (ASEAN-India Free Trade Area) content should not be less than 35% of the FOB value. Hence the soul of the Notifications is that there should be at least 35% of the content and therefore it was necessary to verify in the matter of qualifying regional value content in "Cocoa Powder" (CTH 18050000) imported from Malaysia under Free Trade Agreement (FTA) and the said matter was taken up for investigation by Directorate of Revenue Intelligence, New Delhi. Based on some of the "Certificates of Origin" issued for this product, it was noticed that the goods were derived from Cocoa beans of Ghana Origin and in such cases, based on prevalent International price as well as information available on supplier's website, it appeared that the regional value addition would only be in the region of 3-17% as against minimum qualifying value of 35% of the FOB value. Accordingly, the matter was taken up by the Director(ICD), Central Board of Excise & Customs with the High

Commission of Malaysia in Delhi vide letter F. No. 456/12/2013-Cus. dated 10.01.2014 for verification.

6.2 The Director(ICD), Central Board of Excise & Customs, New Delhi vide aforesaid letter F. No. 456/12/2013-Cus.V dated 10.01.2014, regarding Certificates of Origin, pertaining to imports by M/s Morde Foods Pvt. Ltd. from two Malaysian exporters (bearing Certificates of Origin No. JB2011/AI/00961 and JB2012/AI/00252) had stated that perusal of some of the Certificates of Origin issued for the products imported by M/s Morde Foods Pvt. Ltd. indicates that the products were derived from Cocoa beans of Ghana origin. Further, based on prevalent international prices and information available on the supplier's websites, it appeared that the regional value addition would only be in the region of 13-17% in such cases. Accordingly, Minister (Economic), MITI, New Delhi, High Commission of Malaysia in New Delhi was requested to carry out verification in respect of Certificates of Origin No. JB2011/AI/00961 and JB2012/AI/00252 in addition to the 52 (Fifty Two) certificates listed from MITI with particular emphasis on the origin of the Cocoa beans, the cost structure of the finished goods and the quantum of value addition achieved.

6.3 Further, the Director (ICD), CBEC, New Delhi vide letter dated 07.05.2014 addressed to the Director General, DRI, New Delhi informed that the Malaysian High Commission in New Delhi had been requested to verify the genuineness of two Certificates of Origin under the India ASEAN FTA in which the description of the goods indicated the origin of the Cocoa as Ghana. A letter-dated 18.03.2014 had been received from the Ministry of International Trade and Industry (MITI) received through the Malaysian High Commission in New Delhi in response to our letter dated 10.01.2014, wherein MITI has stated that they have conducted an internal investigation and verification visit to the two factories i.e. M/s JB Cocoa and Guan Chong Cocoa, which had supplied the goods. MITI had confirmed that the raw materials used in the production of the finished products fulfil the 35% RVC. However, they (i.e. above-stated two factories) expressed inability to provide cost structure due to data privacy. Since there is no provision in the Rules of Origin of the India ASEAN FTA for denial of cost structure on the basis of data privacy and Article 18 (b) of this Rules clearly obligates information relating to the validity of the AFTA Certificate of Origin to be furnished upon request of the importing Party, accordingly, Board has decided to deny the preferential benefit in the matter by way of issue of SCN and early adjudication.

6.4 In this case, the Noticee filed the Bill of Entry as detailed in Annexure-B to the Show Cause Notice for clearance of imported goods declared as 'Cocoa Powder 10-12% Fat Content' falling under Custom Tariff Head 18050000 to the First Schedule of the Customs Tariff Act, 1975. The imported goods were supplied by M/s J B Cocoa SDN BHD and were shipped from Malaysia. The above-stated Bill of Entry were filed on the basis of self-assessed declarations for the imported goods having gross weight 15 MT and total declared assessable value of Rs. 19,19,700/- for clearance of aforesaid goods by availing concessional rate of Customs duty benefit on the basis of Country of origin certificate prescribed under Notification No. 46/2011-

Customs, dated 01.06.2011 and Notification No. 53/2011-Customs dated 01.07.2011, as amended.

6.5 The benefit under Notification No. 46/2011-Customs dated 01.06.2011 is available provided that the goods are imported into the Republic of India from a country listed in Appendix I of the said Notification (Malaysia is one of countries falling under Appendix-I) in accordance with provisions of the Customs Tariff [Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of southeast Asian Nations (ASEAN) and the Republic of India] Rules, 2009 published in Notification No. 189/2009-Customs (N.T.), dated 31.12.2009.

6.6 Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India Rules, 2009 framed vide Notification No. 189/2009-Customs (N.T.), dated 31.12.2009 states that AFTA Certificate of Origin shall be issued by the Government authorities (Issuing Authority) of the exporting Party and in case of goods not wholly produced or obtained products in Member States of the Association of southeast Asian Nations (ASEAN) (in this case Malaysia), the AFTA content is not less than 35% of the FOB value. Further, benefit under Notification No. 53/2011-Customs dated 01.07.2011 is available provided that the goods in respect of which the benefit of this exemption is claimed are of the origin of Malaysia, in accordance with provisions of the Customs Tariff [Determination of Origin of Goods under the Preferential Trade Agreement between the governments of the Republic of India and Malaysia] Rules, 2011, published in Notification No. 43/2011-Customs (N.T.), dated 01.07.2011.

6.7 Determination of Origin of Goods under the Preferential Trade Agreement between the Governments of the Republic of India and Malaysia Rules, 2009 framed vide Notification No. 43/2011-Customs (N.T.), dated 01.07.2011 states that in case of goods not wholly produced or obtained products from Malaysia, the qualifying value content of the goods should not be less than 35% of the FOB value. Rule 5 (1) (ii) of the said Rule states that:-

"5. Not wholly obtained or produced goods:- (1) For the purposes of clause (b) of Rule 3, goods shall be deemed to be originating goods, when,-

(ii) Qualifying value content of the goods is not less than thirty five percent of the FOB value:

Provided that the final process of manufacturing is performed within the territory of the exporting Party."

6.8 In this case, ongoing through the available records, **it is found that the imported goods, which are 'not wholly obtained or produced goods from Malaysia' were supplied by M/s J B Cocoa SDN BHD, Malaysia and were shipped from Malaysia. Further M/s J B Cocoa SDN BHD are one of the suppliers for which Director, Asian Economic Corporation, vide letter-dated 18.03.2014 informed that the MITI, Malaysia had conducted an internal investigation and verification visit to the two factories, which had supplied the goods. MITI had confirmed that the raw materials used in the production of the finished products fulfil the 35% RVC. However,**

the suppliers expressed inability to provide cost structure due to data privacy, which has been accepted by the Noticee vide his letter dated 06.01.2020. Further, as mentioned in paras supra, on verification of qualifying value content in the matter, **DRI had noticed that based on prevalent international price as well as information available on suppliers' website, the regional value addition would only be in the region of 13-17% as against minimum qualifying value of 35%.**

6.9 Further, relevant Para(s) to Article 16 of APPENDIX-D to the Operation Certification Procedures for the Rules of Origin for the ASEAN-India Free Trade Area (AIFTA) under head "VERIFICATION" stipulates that:-

"16. (a) The importing party may request a retroactive check at random and/or when it has reasonable doubt as to the authenticity of the document or as to the accuracy of the information regarding the true origin of the good in question or of certain parts thereof. The Issuing Authority shall conduct a retroactive check on the producer/exporter's cost statement based on the current cost and prices within a six-month timeframe prior to the date of exportation subject to the following procedures:

(ii) the Issuing Authority shall respond to the request promptly and reply within three months after receipt of the request for retroactive check;

(iv) the retroactive check process, including the actual process and the determination of whether the subject good is originating or not, should be completed and the result communicated to the Issuing Authority within six months. While the process of the retroactive check is being undertaken, sub-paragraph (iii) shall be applied.

From the above, it is seen that according to Article 16 (a) (ii) of APPENDIX-D (Operational Certification Procedures) to the Rules of Origin under the ASEAN India FTA, the Issuing Authority shall respond to the request promptly and reply within 03 months after receipt for retroactive check. Further, as per Article 16 (a) (iv), the retroactive check process, including the actual process and the determination of whether the subject goods is originating or not, should be completed and the result communicated to the issuing authority within 6 months. It is observed that in this case, the supplier of the Noticee denied providing the cost structure due to data privacy. However, there is no provision in the said Rules of Origin of India ASEAN FTA for denial of cost structure on the basis of data privacy. Further, Article 18 (b) of APPENDIX-D to the Operation Certification Procedures for the Rules of Origin for the ASEAN-India Free Trade Area (AIFTA) clearly obligates information relating to the validity of the AIFTA Certificate of Origin to be furnished upon request of the importing party.

6.10 From the available evidences as discussed in above paras, I find that the Noticee had wrongly availed concessional rate of Customs duty and had taken benefit of Notification No. 

“Learned SDR on behalf of the Revenue submits that Revenue is in appeal against the conclusion of Commissioner that clandestinely cleared goods which are not available for confiscation, cannot be confiscated and setting aside redemption fine of Rs. 50,000/- imposed. He relies on the decision of Hon’ble Supreme Court in the case of M/s. Weston Components as reported in [2000 (115) E.L.T. 278 (SC)], in support of his contention that redemption fine is imposable even when the goods are not available for confiscation. I find that the decision of Hon’ble Supreme Court in the case of M/s. Weston Components was rendered wherein the goods had been released to the appellant after execution of bond. Obviously, it was the case of provisional release. Learned SDR fairly admitted that in this case, the goods had not been provisionally released, but removed clandestinely. Therefore, the judgment cited by the learned SDR is not relevant.

In the matter of Commissioner of Central Excise, Surat Vs. Gunjan Exports [2013 (295) E.L.T. 733 (Tri. Ahmd.)], it was held that:

“5. I have considered the submissions and I find myself unable to appreciate the submissions. The Hon’ble Supreme Court had clearly held in the case of Weston Components Limited that when the goods are released provisionally on execution of bond, confiscation can be affected even if the goods are not available. The natural conclusion is that the goods should have been released on bond which would mean that the goods have been taken possession of by way of seizure and subsequently released on execution of bond. Admittedly that is not the situation in this case also. In this case, respondents themselves have diverted the goods and after diversion, proceedings have been initiated. There is no seizure of the diverted goods and release of the same provisionally on execution of bond. Therefore, the issue is covered by the decision of the Hon’ble Supreme Court and in the absence of release on the basis of execution of a bond, goods could not have been confiscated. The decision of the Larger Bench of the Tribunal relied upon by the learned Commissioner is also applicable since in this case also there is no bond with a security is available. The B-17 Bond is a general purpose bond undertaking to fulfill the conditions of notification and other requirements and does not help the Revenue to confiscate the goods not available and impose the redemption fine in lieu of confiscation. Further, the confiscation always presumes availability of goods and presumption normally is that goods have been seized and thereafter the proceedings would culminate into confiscation or release. Confiscation would mean that seized goods become the property of the Government and the party to whom it is ordered to be released on payment of fine, will have to pay fine and redeem the goods. When the goods have been diverted and not released on execution of bond with conditions, the question of confiscation of the same does not arise since goods have already become someone else’s property. Under these circumstances, I find no merits in the appeal filed by the Revenue and accordingly, reject the same”.

From the above cited judgments/orders, I find that redemption fine can be imposed in those cases where goods are either available or the goods have been released provisionally under Section 110A of the Customs Act, 1962 against appropriate bond binding concerned party in respect of recovery of amount of redemption fine as may be determined in the adjudication proceedings. In the instant case, the impugned goods in respect of the Bill of Entry as detailed in Annexure-B to the Show Cause Notice were neither seized, nor released provisionally. Hence neither the goods are physically available nor bond for provisional release under Section 110A *ibid* covering recovery of redemption fine is available. I, therefore, find that redemption fine cannot be imposed in respect of imported goods pertaining to Bill of Entry as detailed in Annexure-B to the Show Cause Notice.

6.15 Now, I proceed to consider the proposal of penalty under Section 114A of the Customs Act, 1962 against the importer. I find that demand of differential Customs duty total amounting to Rs. 7,47,531/-, has been made under Section 28 (4) of the Customs Act, 1962, which provides for demand of duty not levied or short levied by reason of collusion or willful mis-statement or suppression of facts. Hence as a natural corollary penalty is imposable on the Noticee under Section 114A of the Customs Act, 1962, which provides for penalty equal to duty plus interest in cases *where the duty has not been levied or has been short-levied or the interest has not been charged or paid or has been part paid or the duty or interest has been erroneously refunded by reason of collusion or any wilful mis-statement or suppression of facts*. In the instant case, the ingredient of wilful mis-statement or suppression of facts by the importer has been clearly established as discussed in the foregoing paras and hence, I find that this is a fit case for imposition of quantum of penalty equal to the amount of duty plus interest in terms of Section 114A *ibid*.

6.16 Further, penalty has also been proposed on the Noticee under Section 112 (a) of the Customs Act, 1962. In this regard, I find that fifth proviso to Section 114 A stipulates that *"where any penalty has been levied under this section, no penalty shall be levied under section 112 or section 114."* Hence, I refrain from imposing penalty on the importer/Noticee under Section 112 (a) of the Customs Act, 1962.

6.17 In regard to the proposal for Imposition of penalty on the Noticee under Section 114AA of the Customs Act, 1962, I find that they produced the country of origin document which was incorrect in as much as it falsely shows the country of origin as Malaysia though the AIFTA content is far less than 35% of the FOB value and thus the country of origin produced is in violation of Notification No. 189/2009-Customs (N.T.) dated 31.12.2009 viz., Customs Tariff {Determination of origin of Goods under the Preferential Trade Agreement between the Governments of Member States of the Association of Southeast Asian Nations (ASEAN) and the Republic of India} Rules, 2009. Hence, I find that the Noticee has knowingly and intentionally made, signed or caused to be made and presented to the Customs authorities such documents which they knew were false/fabricated and incorrect in respect of the imported goods. Hence,

for the said act of contravention on their part, the importer is liable for penalty under Section 114AA of the Customs Act, 1962.

6.18 I find that the Consultant/authorized representative of the Noticee in their written defence submissions have placed reliance on various case laws/judgements in support of their contention on some issues raised in the SCN. In this regard, I am of the view that the conclusions arrived may be true in those cases, but the same cannot be extended to other case(s) without looking to the hard realities and specific facts of each case. Those decisions/judgements were delivered in different context and under different facts and circumstances, which cannot be made applicable in the facts and circumstances of this case. Therefore, I find that while applying the ratio of one case to that of the other, the decisions of the Hon'ble Supreme Court are always required to be borne in mind. The Hon'ble Supreme Court in the case of CCE, Calcutta Vs Alnoori Tobacco Products [2004(170)ELT 135(SC)] has stressed the need to discuss, how the facts of decision relied upon fit factual situation of a given case and to exercise caution while applying the ratio of one case to another. This has been reiterated by the Hon'ble Supreme Court in its judgement in the case of Escorts Ltd. Vs CCE, Delhi [2004(173) ELT 113(SC)] wherein it has been observed that one additional or different fact may make difference between conclusion in two cases, and so, disposal of cases by blindly placing reliance on a decision is not proper. Again in the case of CC(Port), Chennai Vs Toyota Kirloskar[2007(2013)ELT4(SC)], it has been observed by the Hon'ble Supreme Court that, the ratio of a decision has to be understood in factual matrix involved therein and that the ratio of a decision has to culled from facts of given case, further, the decision is an authority for what it decides and not what can be logically deduced there from.

7. In view of the forgoing discussions and findings, I pass the following order:-

ORDER

- (i) I hereby reject the Country of Origin Certificate as a valid document issued as per Notification No. 46/2011-Customs dated 01.06.2011 and submitted by the importer purposefully, knowingly and intentionally for fraudulently claiming and availing Customs duty benefit covered under Bills of Entry as detailed in Annexure-B to the Show Cause Notice.
- (ii) I confirm and order to recover differential Customs duty totally amounting to Rs. 7,47,531/- (Rupees Seven Lakh Forty Seven Thousand Five Hundred Thirty One only) as detailed in Annexure-B to the Show Cause Notice from the importer M/s. Krishna Products, Opp. Uday Gas Agency, Near Rudraksh Hospital, Krishna Nagar Road, Naroda Patiya, Gujarat-382345, under proviso to Section 28 (4) of the Customs Act, 1962. I also order to re-assess the aforesaid Bills of Entry as detailed in Annexure-B to the Show Cause Notice after amendment under Section 149 of the Customs Act, 1962 and by denying concessional rate of Customs duty benefit based upon the country of origin of imported goods.

- (iii) I order to charge and recover interest from the importer M/s. Krishna Products, Opp. Uday Gas Agency, Near Rudraksh Hospital, Krishna Nagar Road, Naroda Patiya, Gujarat-382345, on the confirmed duty at Sr. No. (ii) above under section 28AA of the Customs Act, 1962.
- (iv) I hold the imported goods i.e. 'Natural Cocoa Powder 10-12% FAT content', totally weighing 15 MT, valued at Rs. 19,19,700/- covered under Bill of Entry as detailed in Annexure-B to the Show Cause Notice liable for confiscation under Section 111(m) and 111(o) of the Customs Act, 1962. Since, the imported goods are not physically available; therefore, I refrain from imposing any redemption fine in lieu of confiscation.
- (v) I impose penalty of Rs. 7,47,531/- (Rupees Seven Lakh Forty Seven Thousand Five Hundred Thirty One only) on the importer M/s. Krishna Products, Opp. Uday Gas Agency, Near Rudraksh Hospital, Krishna Nagar Road, Naroda Patiya, Gujarat-382345, under Section 114A of the Customs Act, 1962 in respect of Bill of Entry detailed at Annexure- 'B' to the Show Cause Notice. However, I give an option, under proviso to Section 114A, to the Noticee, to pay 25% of the amount of total penalty imposed at (v) above, subject to payment of total amount of duty and interest confirmed at (ii) and (iii) above, and the amount of 25% of penalty imposed at (v) above within 30 days of receipt of this order.
- (vi) I refrain from imposing penalty on the importer M/s.
